## activities

### **Cognitive, Language, Social**

We welcomed two new faces today, Alyse and Griffin joined older infants. So for group time we started out by singing our famous "Who's here today" to introduce their smiley faces! We also read "Yummy Yucky" and sang "No more monkeys jumping on the bed"

### **Perception**

We took turns looking on the hand mirror and practiced making silly faces!

### **Signing**

We will work on and review the sign for "please" and "more" All this week especially during meal times for extra practice on good manners!
