activities

Art

We worked on creating our classroom door! We decorated paper hot air balloons, we are creating our door in reference to the book "Oh the places you'll go".

Circle Time

This week we are talking all about Dr. Seuss! We talked about what we want to be when we grow up! We learned that Dr. Seuss created 46 books!! We read the book "Oh the places you'll go". This week we will start over with our alphabet starting with the letter "Aa".

Language

Building sight words- We used our word building puzzle set to build sight words.

Math

Hot air balloon counting- using Pom Poms each hot air balloon has a number on it, we put the correct number Pom Pom on each hot air balloon.

Music

"Oh the places you'll go" song

Physical

We attempted to build a snowman today!! We enjoyed pushing trucks around and making tracks!!

Science

We explored a globe today!! We talked about where our state is and what states we might want to visit! We also enjoyed looking at where the stars on the globe are! The globe lights up!!
