activities

Art

Today for art we made Dr. Seuss masks. We colored his hat red and white, put on his whiskers and a bow and used paper plates for a face.

Circle Time

We started our circle time sing our Good Morning Friends song, we went over the calendar and sang our days of the week and months song. Today we reviewed our shapes and colors and counted to 20. Today we sang Happy Birthday to Dr. Seuss and talked about all the silly rhyming books he wrote. Green Eggs and Ham and Mr. Brown can Moo Can You are our favorite.

Language

Today we read more silly Dr. Seuss books. We read Mr. Brown can Moo Can You, The Cat and the Hat and The Cat Comes Back.

Math

For math today we counted the students in class today, counted the boys and the girls. We also sorted manipulatives by color.

Music

Today we use egg shakers while we listened to Shake your Sillys Out, The Freeze Song and Welcome to the Zoo. We also listened to We are the Dinosaurs Marching.

Physical

The weather was great today so we went outside to play on the playground. We got to run in the sun, climb the climber and slide down the slide.

Science

For science today we used lots of tools like scissors, rolling pins, cookie cutters and knives to made shapes and other things out of playdough.
